

# ADOPT-A-MAPLE

## At Westmoreland Sanctuary

**February 25, 2023 at 1-5 pm (1/2 hour tapping sessions)**

**Or by appointment**

Ever thought about making your own maple syrup? Adopt a sugar maple at Westmoreland and learn first-hand how to produce delicious syrup from maple sap! This program will take you through the whole process. Fun for the whole family.

Participants get to tap their own tree with their name on it. You can taste the sap and empty it in the pot over our wood fire. The whole family (up to 4) will receive an invitation to Sugarfest on Saturday, March 11 and receive their own bottle of Westmoreland Syrup. Sugarfest is a maple sugaring demonstration and syrup taste test.

**Members: \$100, Non-members: Become a member to participate (family membership or higher).** Availability is limited; limit 1 tree per family.

**For sign:**

**Individual, Family, or Group Name:** \_\_\_\_\_

**Name of Main Contact (if different than above):** \_\_\_\_\_

**Primary Email or Phone # (to arrange tapping time):** \_\_\_\_\_

**If you cannot attend the initial tapping of your tree on Sat. Feb 25 at 1-5pm, please arrange with, Steve Ricker (sricker@westmorelandsanctuary.org), an alternate date and time, 7 days a week.**
